Gentlemen:

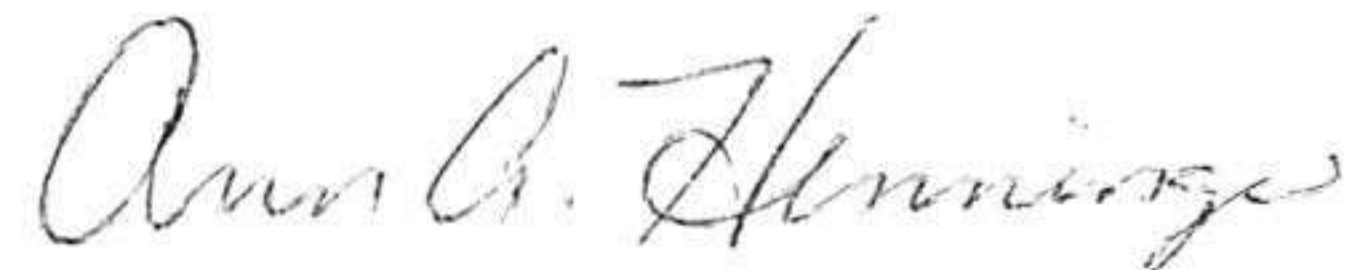

I have been trying to locate any information on my grandfather, ELMER CURRY STOY, and the local Washington, D. C. Marine offices have forwarded me to your office for help.

According to old pictures in the family my grandfather is shown in Marine outfits and the date on one is 1899 at age 15. Others show him in uniform in his early 20's. Family records show his date of birth at about July, 1884.

He was married April 28, 1903, to Maria Mount Caylor at Herndon, Virginia (Fairfax County). His first child was born December 21, 1904 and was named Elmer Dutton Stoy (this uncle tells me his middle name came from his father's Marine Captain, R. M. Dutton). His second child, a daughter, was born 1906 and his last child, a son, was born in 1909. His last known address was McLean, Virginia, in about 1912, however he was seen in the District of Columbia in the early 1930's. One distant relative thought he lived in Richmond, Virginia, for a while and perhaps remarried.

Any information your records might be able to give me would be greatly appreciated. I am enclosing a self-addressed envelope for your convenience in answering.

Sincerely yours,

(Mrs. G. L. Hennings)

My dear Mr. Stoy:

I am directed by the Major General Commandant to acknowledge receipt of your communication of the 22nd ultimo with reference to Spanish-American War Medal.

In reply thereto, you are informed that the records of this office show that you are not entitled to the campaign medal referred to, inasmuch as your service does not come within the purview of the regulations governing the award of said medal. The Spanish Campaign Badge is awarded to all Marines in the Navy or on shore in the Philippines or in the Island of Cuba and Porto Rico, between May 1st, 1898 and August 16, 1898. The records show that at this time, you were stationed at Marine Barracks, Washington, D. C.

Very sincerely,

H. LAY,  
Lieutenant-Colonel, Assistant  
Adjutant and Inspector.

Should a deserter surrender or be taken, application will be made to the Adjutant and Inspector for his "conduct record," at once. When a man deserts, the word "deserted" will be entered "over the date" in the column of transfer, also when he is "apprehended" or "surrendered." Nothing should be written under the head of "Remarks" except what pertains to the man's history, such as promotions, reductions, courts-martial, etc. In every case of transfer a note should be made in the proper columns as to a man's qualifications in marksmanship and the range fired on. The figures from 0 to 5, inclusive, representing six degrees, will be used to designate the man's ability in this respect.
