had an interview with the governor about the matter. The judge put the case in the strongest possible light and begged for a commutation or respite so that an investigation could be made.

The Governor took no action last night, but the probabilities are that he will issue an order on Monday staying the hanging pending an investigation. It is claimed by those familiar with the case that investigation will result in making

TRICKS GAP.

Mr. McGhee of Dalton preached a sermon at New Prospect the second Sunday in June on Infant Baptism. He took the position that the Church is a congregation of pious persons and their children. He very boldly declared that Christ did not set up a church on earth, but joined the one already here, when eight days old. He said Christ was our exemplar; therefore we ought to join the church when eight days old, or as soon after as practical.

Mr. Tucker the Baptist pastor replied to Mr. McGhee's sermon last Sunday. He took for his text the words of the Savior, "On this rock I will build my church" and "Go teach all nations, baptizing them in the name of the Father, and of the Son and of the Holy Ghost."

Mr. Tucker took the position that Christ established a church on earth—that he instituted ordinances and partook of them Himself. Of Baptism—in the Jordan. Of the Supper—in the chamber.

He said that Christ commanded His Church to teach all nations and to baptize the taught. And more, that Christ made and baptized disciples—thus showing that disciples must be made ere they can be baptized. Mr. Tucker said that a believer was the only true subject for baptism. Both sermons were listened to by

CRAWFISH SPRING.

Mr. Cicero Gordon, who resides 2 1/2 miles from Crawfish had the misfortune to lose his house and all its contents, by fire at Wednesday night. How the fire originated is not known. The family barely escaped being awakened by the burning and crackling planks not having time to save anything. It is a great loss to Mr. Gordon as he had just completed his pretty little residence. All the neighbors kindly offered their assistance, and put up a cabin in two days.

James Caldwell and Gordon Lee spent Saturday and Sunday in our midst.

Mrs. James Wain nee Miss N. Henderson spent last week with her mother.

Miss Clarkie Lee accompanied by her Bro Tom returned from Oxford Ga last Friday. They report an excellent commencement.

Misses May and Cora Clark returned from Ringgold yesterday after a weeks visit.

There was an all day singing here yesterday conducted by James Mullis.

The S. S. is still flourishing yesterday being the review for the 2nd quarter. Miss Clarkie offered a prize for the one having the most perfect lesson. The judges decided that four of the young men namely Mr. Jeff, Ab, and Ben Gilmore and Will Brooks were all perfect; that the prize would have to be drawn for. Mr. Ben Gilmore was the successful winner. All of the class had good lessons. It is not often you see so bright and studious a class.

A fighting party is being talked up for next Friday.

Farmers still busy—especially those who have hay to save.
